

A Prayer for Accessibility

We pray for acceptance and understanding Lord.

If I have no feet, let me journey with my eyes.

If I have no sight, let me view with my mind.

If I have no hearing, let me listen with my heart.

If I have no speech, let me talk with a touch.

If I have no hands, let me hold you in my thoughts.

And If I have no control, let me be calm and at peace in your grace.

Let me use what I do have to bless, accept and understand others.

Dear Lord, we all need assistance.

Whether I need a wheelchair, a cane, a hearing aid,

A guide, a visual aid or a computer,

Allow me to show what I can do and model for others,

Ability, acceptance and thanks, and to follow you in all that I do.

Amen
