

Sightline to Safety

Voluntary 9-1-1 Registration

This voluntary registration program has been developed to assist City of Peterborough residents who are deaf and hard of hearing.

Registration with our 9-1-1 dispatch will enable emergency services to provide appropriate response to 9-1-1 emergency calls where communication barriers exist. Qualified registrants are residents of the **City of Peterborough** who are deaf or hard of hearing with reduced ability to communicate with 9-1-1 operators via regular telephone. In the event a 9-1-1 call is received from the registered address, information specific to the communication barrier will be available to emergency services.

9 1 1 Communication

Applicant (Please Print)	
Name:	
Address:	
Home Telephone:	TTY:
Cell Phone:	Do you use Text Messaging? Yes <input type="checkbox"/> No <input type="checkbox"/>
Email:	
Are you aware of the local CHS Office?	Yes <input type="checkbox"/> No <input type="checkbox"/>
