Peterborough Risk Driven Situation Table

A collaborative table with participants from a number of local human services, including Police, Education, Mental Health, Social Services, Child Welfare and Addictions. Trained representatives from each organization meet weekly and are invited to bring forward any situations of acute risk for community-level problem-solving and to develop a community plan for intervention. If a school administrator believes that there is an appropriate case to bring forward, please reach out to the **Psychologist / Manager of Student Services** to be connected with our current PVNC Situation Table representative. Our representative will provide consultation and let you know whether or not this is an appropriate case to bring forward. Situation Table meetings can only be attended by individuals who have received specific training to sit on the table, therefore, any cases you wish to present will be done through the PVNC representative.
