

PVNC Demographic Survey - For Students

Your participation in the Student Census is important to us in order to better learn about and serve our PVNC community. The higher the completion rate, the more reliable the information will be to help us identify and remove systemic barriers.

This confidential, anonymous survey will take approximately 15 minutes to complete and is entirely voluntary.

You may choose to skip questions if you do not wish to provide answers.

PVNC respects the privacy of our students and families. Data will be collected in a secure manner as directed by applicable privacy legislation and best practices.

Reports will never single out or identify a student or family. Data will only be reported in a summarized way to highlight our community's needs.

Translations have been generated automatically by the system software using Google Translate. If you have a concern with a translation, please contact Shannon Carr at scarr@pvncdsb.on.ca
