PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

For The Year Ended August 31, 2025

MANAGEMENT REPORT

The accompanying consolidated financial statements of Peterborough Victoria Northumberland and Clarington Catholic District School Board are the responsibility of management and have been prepared by management in accordance with the Financial Administration Act supplemented by the Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act ("the Act") as described in Note 1(a) to the consolidated financial statements.

The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgement, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Audit Committee meets with external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to the Board's approval of the consolidated financial statements.

The consolidated financial statements have been audited by Baker Tilly KDN LLP in accordance with Canadian generally accepted auditing standards on behalf of the Board. Baker Tilly KDN LLP has full and free access to the Board of Trustees.

INDEPENDENT AUDITOR'S REPORT

**To the Board of Trustees of Peterborough Victoria
Northumberland and Clarington Catholic District School
Board**

Opinion

We have audited the consolidated financial statements of Peterborough Victoria Northumberland and Clarington Catholic District School Board (the Board), which comprise the consolidated statement of financial position as at August 31, 2025, the consolidated statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Board as at August 31, 2025, and the results of its consolidated operations and its consolidated cash flows for the year then ended in accordance with the Financial Administration Act supplemented by the Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act ("the Act").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Board in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Without modifying our opinion, we draw attention to Note 1 to the consolidated financial statements, which describes the basis of accounting used in the preparation of these consolidated financial statements and the significant differences between such basis of accounting and Canadian public sector accounting standards.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Financial Administration Act supplemented by the Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act ("the Act"), and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Board's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Board or to cease operations, or has no realistic alternative but to do so.

ASSURANCE • TAX • ADVISORY

Baker Tilly KDN LLP is a member of Baker Tilly Canada Cooperative, which is a member of the global network of Baker Tilly International Limited. All members of Baker Tilly Canada Cooperative and Baker Tilly International Limited are separate and independent legal entities.

Those charged with governance are responsible for overseeing the Board's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Board's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Board to cease to continue as a going concern.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements are prepared by management in accordance with the basis of accounting described below.

(a) Basis of Accounting

The consolidated financial statements have been prepared in accordance with the Financial Administration Act supplemented by Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act.

The Financial Administration Act requires that the consolidated financial statements be prepared in accordance with the accounting principles determined by the relevant Ministry of the Province of Ontario. A directive was provided by the Ontario Ministry of Education within memorandum 2004:B2 requiring school Boards to adopt Canadian public sector accounting standards commencing with their year ended August 31, 2004 and that changes may be required to the application of these standards as a result of regulation.

In 2011, the government passed Ontario Regulation 395/11 of the Financial Administration Act. The Regulation requires that contributions received or receivable for the acquisition or development of depreciable tangible capital assets and contributions of depreciable tangible capital assets for use in providing services, be recorded as deferred capital contributions and be recognized as revenue in the statement of operations over the periods during which the asset is used to provide service at the same rate that amortization is recognized in respect of the related asset. The regulation further requires that if the net book value of the depreciable tangible capital asset is reduced for any reason other than amortization, a proportionate reduction of the deferred capital contribution along with a proportionate increase in the revenue be recognized. For Ontario school boards, these contributions include government transfers, externally restricted contributions and, historically, property tax revenue.

The accounting policy requirements under Ontario Regulation 395/11 are significantly different from the requirements of Canadian public sector accounting standards which require that:

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410;
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100; and
- education property taxation revenue be reported as revenue when received or receivable in accordance with public sector accounting standard PS3510.

As a result, revenue recognized in the statement of operations and certain related deferred revenues and deferred capital contributions may be recorded differently under Canadian Public Sector Accounting Standards.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(b) Reporting Entity

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations accountable for the administration of their financial affairs and resources to the Board and which are controlled by the Board.

School generated funds, which include the assets, liabilities, revenues and expenses of various organizations that exist at the school level and which are controlled by the Board are reflected in the consolidated financial statements.

Interdepartmental and inter-organizational transactions and balances between these organizations are eliminated.

(c) Trust Funds

Trust funds and their related operations administered by the Board are not included in these consolidated financial statements as they are not controlled by the Board.

(d) Cash

Cash and cash equivalents comprise of cash on hand, demand deposits and short-term investments. Short-term investments are highly liquid, subject to insignificant risk of changes in value and have a short maturity term of less than 90 days.

(e) Deferred Revenue

Deferred revenue represents grants, user charges and fees which have been collected but for which the related services have yet to be performed. These amounts will be recognized as revenues in the fiscal year the services are performed.

(f) Deferred Capital Contributions

Contributions received or receivable for the purpose of acquiring or developing a depreciable tangible capital asset for use in providing services, or any contributions in the form of depreciable tangible assets received or receivable for use in providing services, shall be recognized as deferred capital contribution as defined in Ontario Regulation 395/11 of the Financial Administration Act. These amounts are recognized as revenue at the same rate as the related tangible capital asset is amortized. The following items fall under this category:

- Government transfers received or receivable for capital purpose;
- Other restricted contributions received or receivable for capital purpose; and
- Property taxation revenues which were historically used to fund capital assets.

(g) Retirement and Other Employee Future Benefits

The Board provides defined retirement and other future benefits to specified employee groups. These benefits include pension, life insurance, health care benefits, dental benefits, retirement gratuity, worker's compensation and long-term disability benefits.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

1. SIGNIFICANT ACCOUNTING POLICIES, continued

As part of ratified labour collective agreements for unionized employees that bargain centrally and ratified central discussions with the Principals and Vice-Principals Associations, the following Employee Life and Health Trusts (ELHTs) were established in 2016-2017: Ontario English Catholic Teachers' Association (OECTA). The following ELHTs were established in 2017-2018: Canadian Union of Public Employees (CUPE), and Ontario Non-union Education Trust (ONE-T) for non-unionized employees including principals and vice-principals.

The ELHTs provide health, dental and life insurance benefits to teachers (excluding daily occasional teachers), education workers (excluding casual and temporary staff), and other school Board staff. Currently ONE-T ELHTs also provide benefits to individuals who retired prior to the school Board's participation date in the ELHT. These benefits are provided through a joint governance structure between the bargaining/employee groups, school Board trustees' associations and the Government of Ontario.

Boards no longer administer health, life and dental plans for their employees and instead are required to fund the ELHTs on a monthly basis based on a negotiated amount per full-time equivalency (FTE). Funding for the ELHTs is based on the existing benefits funding embedded within the Core Education Funding (CEF), including additional ministry funding in the form of a Crown Contribution and Stabilization Adjustment.

Depending on prior arrangements and employee groups, the Board continues to provide health, dental and life insurance benefits for individuals who retired prior to August 31, 2013.

The Board has adopted the following policies with respect to accounting for these employee benefits:

(i) The costs of self-insured retirement and other employee future benefit plans are actuarially determined using management's best estimate of salary escalation, accumulated sick days at retirement, insurance and health care cost trends, disability recovery rates, long-term inflation rates and discount rates. The cost of retirement gratuities is actuarially determined using the employee's salary, banked sick days (if applicable) and years of service as at August 31, 2012 and management's best estimate of discount rates. Any actuarial gains and losses arising from changes to the discount rate are amortized over the expected average remaining service life of the employee group.

For self-insured retirement and other employee future benefits that vest or accumulated over the periods of service provided by employees, such as life insurance and health care benefits for retirees, the cost is actuarially determined using the projected benefits method prorated on service. Under this method, the benefit costs are recognized over the expected average service life of the employee group.

For those self-insured benefit obligations that arise from specific events that occur from time to time, such as obligations for worker's compensation and long-term disability, the cost is recognized immediately in the period the events occur. Any actuarial gains and losses that are related to these benefits are recognized immediately in the period they arise.

(ii) The costs of multi-employer defined pension plan benefits, such as the Ontario Municipal Employees Retirement System pensions, are the employer's contributions due to the plan in the period.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(iii) The costs of insured benefits are the employer's portion of insurance premiums owed for coverage of employees during the period.

(h) Government Transfers

Government transfers, which include legislative grants, are recognized in the consolidated financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made. If government transfers contain stipulations which give rise to a liability, they are deferred and recognized in revenue when the stipulations are met.

Government transfers for capital are deferred as required by Ontario Regulation 395/11, recorded as deferred capital contributions (DCC) and recognized as revenue in the consolidated statement of operations at the same rate and over the same periods as the asset is amortized.

(i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset, as well as legally or contractually required retirement activities. When historical cost records were not available, other methods were used to estimate costs. The cost, less residual value, if any, is amortized on a straight-line basis, over the expected useful life of the asset, as follows:

Land improvements with finite lives	15
Buildings and building improvement	40
Portable structures	20
Other buildings	20
First-time equipping of schools	10
Furniture	10
Equipment	5-15
Computer hardware	3
Computer software	5
Vehicles	5-10
Leasehold improvements	Over the lease term

Assets under construction and assets that relate to pre-acquisition and pre-construction costs are not amortized until the asset is available for productive use.

Land permanently removed from service and held for resale is recorded at the lower of cost and estimated net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing. Buildings permanently removed from service and held for resale cease to be amortized and are recorded at the lower of carrying value and estimated net realizable value. Tangible capital assets which meet the criteria for financial assets are reclassified as "assets held for sale" on the Consolidated Statement of Financial Position.

Works of art and cultural and historic assets are not recorded as assets in these consolidated financial statements.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(j) Investment Income

Investment income is reported as revenue in the period earned. When required by the funding government or related Act, investment income earned on externally restricted funds such as pupil accommodation, education development charges and special education forms part of the respective deferred revenue balances.

(k) Budget Figures

Budget figures have been provided for comparison purposes and have been derived from the budget approved by the Trustees. The budget approved by the Trustees is developed in accordance with the provincially mandated funding model for school Boards and is used to manage program spending within the guidelines of the funding model. The budget figures presented have been adjusted to reflect the same accounting policies that were used to prepare the consolidated financial statements. The budget figures are unaudited.

(l) Use of Estimates

The preparation of consolidated financial statements in conformity with the basis of accounting described in Note 1(a) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the year. Accounts subject to significant estimates include post-retirement benefits, asset retirement obligation and the estimated useful life of tangible capital assets. Actual results could differ from these estimates.

(m) Education Property Tax Revenue

Under Canadian Public Sector Accounting Standards, the entity that determines and sets the tax levy records the revenue in the financial statements, which in the case of the Board, is the Province of Ontario. As a result, education property tax revenue received from the municipalities is recorded as part of Core Education Funding under Education Property Tax.

(n) Other Revenues

Other revenues from transactions with performance obligations, for example, fees or royalties from the sale of goods or rendering of services, are recognized as the Board satisfies a performance obligation by providing the promised goods or services to the payor. Other revenue from transactions with no performance obligation are recognized when the Board has the authority to claim or retain an inflow of economic resources and when a past transaction or event is an asset. Amounts received prior to the end of the year that will be recognized in subsequent fiscal year are deferred and reported as a liability.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(o) Financial Instruments

Financial instruments are classified as either cost, fair value or amortized cost. The following chart shows the measurement method for each type of financial instrument.

Financial Instrument	Measurement Method
Cash	Cost
Accounts receivable	Amortized Cost
Temporary borrowing	Amortized Cost
Accounts payable and accrued liabilities	Amortized Cost
Debenture debt and capital loans	Amortized Cost

Fair value category: The Board manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and Accumulated Surplus and related balances reversed from the Statement of Remeasurement Gains and Losses.

Amortized cost is measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or a financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. Transaction costs related to the acquisition of investments are added to the amortized cost. It is applied to financial assets or financial liabilities that are not in the fair value category and is now the method that must be used to calculate amortized cost.

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

Establishing fair value:

The fair value of guarantees and letters of credit are based on fees currently charged for similar agreements or on the estimated cost to terminate them or otherwise settle the obligations with the counterparties at the reported borrowing date. In situations in which there is no market for these guarantees, and they were issued without explicit costs, it is not practicable to determine their fair value with sufficient reliability (if applicable) and are therefore not recognized in these financial statements. For letters of guarantee and letters of credit relating to construction, disclosure is done at the face value of the guarantee or letter of credit.

The following hierarchy provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

- Level 1 - Unadjusted quoted market prices in active markets for identical assets or liabilities;

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

1. SIGNIFICANT ACCOUNTING POLICIES, continued

- Level 2 - Observable or corroborated inputs, other than level 1, such as quoted prices for similar assets or liabilities in inactive markets or market data for substantially the full term of the assets or liabilities; and
- Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities.

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

(p) Asset Retirement Obligations

Asset Retirement Obligations (ARO) are provisions for legal obligations for the retirement of tangible capital assets that are either in productive use or no longer in productive use.

An ARO liability is recognized when, as at the financial reporting date:

- there is a statutory, contractual or legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

A corresponding amount is added to the carrying value of the related tangible capital asset and is then amortized over its remaining useful life.

The estimated amounts of future costs to retire the asset is reviewed annually and adjusted to reflect the current best estimate of the liability. Adjustments may result from changes in the assumption used to estimate the amount required to settle the obligation. These amounts are recognized as an increase or decrease in the carrying amount of the asset retirement obligation liability, with a corresponding adjustment to the carrying amount of the related asset. If the related asset is no longer in productive use, all subsequent changes in the estimate of the liability for the ARO are recognized as an expense in the period incurred.

2. ACCOUNTS RECEIVABLE

The Province of Ontario replaced variable capital funding with a one-time debt support grant in 2009-10. Peterborough Victoria Northumberland and Clarington Catholic District School Board received a one-time grant that recognizes capital debt as of August 31, 2010 that is supported by the existing capital programs. The Board receives this grant in cash over the remaining term of the existing capital debt instruments. The Board may also receive yearly capital grants to support capital programs which would be reflected in this account receivable.

The Board has an account receivable from the Province of Ontario of \$22,133,693 as at August 31, 2025 (2024 - \$25,880,703) with respect to capital grants.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

3. ACCOUNTS RECEIVABLE - OTHER

The Ministry of Education introduced a cash management strategy effective September 1, 2018. As part of the strategy, the Ministry delays part of the grant payment to School Boards where the adjusted accumulated surplus and deferred revenue balances are in excess of certain criteria set out by the Ministry. The balance of delayed grant payments included in Accounts Receivable - other at August 31, 2025 is \$2,563,279 (2024 - \$1,859,587).

4. TEMPORARY BORROWING

The Board has three credit facilities available for use at any time.

Credit facility #1 is a demand operating credit available in the amount of \$10,000,000 for use for current expenditures only and bears interest at prime. At August 31, 2025 the Board had not drawn on this credit facility (2024 - \$nil)

Credit facility #2 is a demand bridge loan in the amount of \$5,000,000 to finance EDC site purchases and related soft costs associated with the Northglen site and bears interest at the CORRA rate plus 1.16%. At August 31, 2025 the balance is \$4,475,951 (2024 - \$4,789,142).

Credit facility #3 is a demand bridge loan in the amount of \$5,486,101 to finance various capital projects under the School Conditioning Improvement (SCI) Program and bears interest at the CORRA rate plus 1.5%. At August 31, 2025 the balance is \$nil (2024 - \$2,087,000).

5. DEFERRED CAPITAL CONTRIBUTIONS

Deferred capital contributions (DCC) include grants and contributions received that are used for the acquisition of tangible capital assets in accordance with Ontario Regulation 395/11 that have been expended by year end. The contributions are amortized into revenue over the life of the asset acquired.

	2025	2024

9. COMMITMENTS

As part of the Board's capital plan, schools are reconstructed over a number of years. As part of this process the Board has committed to Northglen Catholic elementary school with an approved amount of \$29,508,633 and a remaining commitment of \$27,951,508.

These amounts presented include the non-refundable portion of any commodity taxes.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

10. EMPLOYEE FUTURE AMOUNTS PAYABLE, continued

Actuarial Assumptions

The accrued benefit obligations for employee future benefit plans as at August 31, 2025 are based on the most recent actuarial valuations completed for accounting purposes as at August 31, 2025 and based on updated average daily salary and banked sick days as at August 31, 2025. These valuations take into account any plan changes and the economic assumptions used in these valuations are the School Board’s best estimates of expected rates of:

	2025	2024
Inflation	2.0%	2.0%
Wage and salary escalation	n/a	n/a
Insurance and health care cost escalation	5.00%	5.00%
Discount on accrued benefit obligations	3.8%	3.8%

Retirement Benefits

(a) Ontario Teacher's Pension Plan

Teachers and related employee groups are eligible to be members of Ontario Teachers Pension Plan. Employer contributions for these employees are provided directly by the Province of Ontario. The pension costs and obligations related to this plan are a direct responsibility of the Province. Accordingly, no costs or liabilities related to this plan are included in the School Board’s consolidated financial statements.

(b) Ontario Municipal Employees Retirement System

All non-teaching employees of the Board are eligible to be members of the Ontario Municipal Employees Retirement System (OMERS), a multi-employer pension plan. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. The OMERS Administration Corporation Board of Directors, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of benefits. OMERS provides pension services to over 500,000 active and retired members and approximately 1,000 employers.

Each year an independent actuary determines the funding status of the OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2024. The results of this valuation disclosed total actuarial liabilities of \$142,489 million in respect of benefits accrued for service with actuarial assets at that date of \$139,576 million indicating an actuarial deficit of \$2,913 million. Because OMERS is a multi-employer plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. During the year ended August 31, 2025, the Board contributed \$3,435,121 (2024 - \$3,463,882) to the plan.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

10. EMPLOYEE FUTURE AMOUNTS PAYABLE, continued

(c) Retirement Life Insurance and Health Care Benefits

The Board continues to provide life insurance, dental and health care benefits to certain employee groups after retirement until the members reach 65 years of age. The premiums for certain classes of retirees are based on the School Board's experience and retirees' premiums may be subsidized by the Board. The premiums for retiree groups that have transitioned to the One-T ELHT are based on the trust retiree premium and may be subsidized by the Board. The benefit costs and liabilities related to the plan are provided through an unfunded defined benefit plan and are included in the Board's consolidated financial statements. Effective September 1, 2013, employees retiring on or after this date, will no longer qualify for School Board subsidized premiums or contributions.

Other Employee Future Benefits

(a) Workplace Safety and Insurance Board Obligations

The Board is a Schedule 2 employer under the Workplace Safety and Insurance Act and, as such, assumes responsibility for the payment of all claims to its injured workers under the Act. The Board does not fund these obligations in advance of payments made under the Act. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. Plan changes made in 2012 require school Boards to provide salary top-up to a maximum of 4.5 years for employees receiving payments from the Workplace Safety and Insurance Board, where the previously negotiated collective agreement included such provision. As at August 31, 2025 the liability included in employee future benefits for this obligation is \$1,605,838 (2024 - \$1,335,801).

(b) Sick Leave Top-Up Benefits

A maximum of eleven unused sick days from the current year may be carried forward into the following year only, to be used to top-up salary for illnesses paid through the short-term leave and disability plan in that year. The benefit costs expensed in the consolidated financial statements are \$66,690 (2024 - \$75,180).

For accounting purposes, the valuation of the accrued benefit obligation for the sick leave top-up is based on actuarial assumptions about future events determined as at August 31, 2025 and is based on the average daily salary and banked sick days of employees as at August 31, 2025.

11. CONTINGENT LIABILITIES

The Board has an excess of loss (catastrophe) Workplace Safety and Insurance Board (WSIB) insurance policy of \$27,000,000 per accident, per employee, aggregate for disease, with a \$1,000,000 deductible per employee, per accident. The School Board brings this deductible down to \$500,000 by participating in the School Boards' Cooperative Assistance Program.

Due to the nature of the School Board's operations, the organization is periodically subject to litigation. In the opinion of management, the resolution of any current litigation would not have a material effect on the financial position or results of operations, as the Board has valid defences and appropriate insurance coverages in place.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended August 31, 2025

12. EXPENSES BY OBJECT

The expenses for the year reported on the Consolidated Statement of Operations and Accumulated Surplus by object are as follows:

	Budget 2025 \$	Actual 2025 \$	Actual 2024 \$
Salaries	144,522,757	154,185,670	153,544,175
Benefits	27,630,669	28,684,351	28,051,419

	221,823,763	234,383,097	240,198,156

13. CORE EDUCATION FUNDING

School Boards in Ontario receive the majority of their funding from the provincial government. This funding comes in two forms: provincial legislative grants and local taxation in the form of education property tax. The provincial government sets the education property tax rate. Municipalities in which the Board operates collect and remit education property taxes on behalf of the Province of Ontario. The Province of Ontario provides additional funding up to the level set by the education funding formulas. 88.65% of the consolidated revenues of the Board are directly controlled by the provincial government through the Core Education Funding. The payment amounts of this funding are as follows:

	2025 \$	2024 \$
Provincial Legislative Grants	191,982,851	180,572,763
Education Property Tax	19,388,130	19,764,349
Grant adjustment	186,125	17,204,015
PVP accrual 2023-24	-	698,354
Core Education Funding	211,557,106	218,239,481

14. TRUST FUNDS

Trust funds administered by the School Board amounting to \$225,196 (2024 - \$222,295) have not been included in the Consolidated Statement of Financial Position nor have their operations been included in the Consolidated Statement of Operations and Accumulated Surplus.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

Total Accumulated Surplus	32,941,903	32,411,406

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

16. ASSET RETIREMENT OBLIGATION

The Board discounts significant obligations where there is a high degree of confidence on the amount and timing of cash flows and the obligation will not be settled for at least five years from the reporting date. The discount and inflation rate is reflective of the risks specific to the asset retirement liability.

As at August 31, 2025, all liabilities for asset retirement obligations are reported at current costs in nominal dollars without discounting.

A reconciliation of the beginning and ending aggregate carrying amount of the ARO liability is below:

	2025	2024
	\$	\$
Liabilities for Asset Retirement Obligations at Beginning of year	9,113,799	11,078,419
Change in estimate during the year	(347,739)	(2,286,408)
Increase in liabilities reflecting changes in estimate of liabilities	237,870	321,788
Liabilities for Asset Retirement Obligations at End of Year	9,003,930	9,113,799

The Board made an inflation adjustment increase in estimates of 2.61% as at March 31, 2025 (2024 - 3.66%), in line with the Provincial government fiscal year end, to reflect costs as at that date. This rate represents the percentage increase in the Canada Building Construction Price Index (“BCPI”) survey during the 2024 calendar year, as well as an adjustment to true up the estimated rate that was used at March 31, 2024. This rate is being used to update costs assumptions made in the ARO costing models in order to be reflective of March 31, 2025 costs. Since the March 31 rate each year is determined based on the BCPI for the prior year ending December 31, the rate is updated the following March 31 to true up the prior year estimated rate (based on the 2023 calendar year) to the actual rate for the 12-month period ending March 31, 2024.

The revaluation adjustment has been added to the Tangible Capital Asset - Asset Retirement Obligation balance to be amortized over the remaining useful life of the underlying asset, except in the case where the related ARO asset has no remaining useful life, in which case, it is expensed directly.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

17. STUDENT TRANSPORTATION SERVICES OF CENTRAL ONTARIO TRANSPORTATION CONSORTIUM

On March 30, 2007, the Board entered into an agreement with Kawartha Pine Ridge District School Board and MonAvenir Conseil Scolaire Catholique in order to provide common administration of student transportation in the Region. This agreement was executed in an effort to increase delivery efficiency and cost effectiveness of student transportation for each of the Boards. Under the agreement, decisions related to the financial and operating activities of Student Transportation Services of Central Ontario are shared. No partner is in a position to exercise unilateral control.

Through the Student Transportation Services of Central Ontario the Board shares the costs for the service in the following manner: operational administrative cost - 30.201% (2024 - 29.696%); shared contractual services 30.000% (2024 - 30.565%); and non shared Board direct costs 100% (2024 - 100%).

The following provides condensed financial information:

	2025		2024	
	Total	Board Portion	Total	Board Portion
	\$	\$	\$	\$
Expenses	43,649,458	14,254,749	43,480,884	13,290,066

18. FINANCIAL INSTRUMENTS

The Board is exposed to a variety of financial risks including credit risk, liquidity risk and market risk. The Board's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Board's financial performance.

Credit risk

The Board's principal financial assets are cash and accounts receivable, which are subject to credit risk. The carrying amounts of financial assets on the Consolidated Statement of Financial Position represent the Board's maximum credit exposure as at the Consolidated Statement of Financial Position date.

Interest rate risk

The Board is exposed to interest rate risk on its long-term debt and temporary borrowing, all of which are regularly monitored.

Liquidity risk

Liquidity risk is the risk that the Board will not be able to meet all cash flow obligations as they come due. The Board mitigates the risk by monitoring cash activities and expected outflows through extensive budgeting and maintaining sufficient cash on hand if unexpected cash outflows arise.

The Board's financial instruments consist of cash, accounts receivable, accounts payable and accrued liabilities, temporary borrowing and long-term debt. It is the Board's opinion that the Board is not exposed to significant market or currency risks arising from these financial instruments.

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

19. ONTARIO SCHOOL BOARD INSURANCE EXCHANGE (OSBIE)

The Board is a member of the Ontario School Board Insurance Exchange (OSBIE), a reciprocal insurance company licensed under the Insurance Act of Ontario. OSBIE insures general liability, property damage and certain other risks. Liability insurance is available to a maximum of \$27M per occurrence. Premiums paid to OSBIE for the policy year ending December 31, 2025 were \$315,676 (2024 - \$257,081).

Any school board wishing to join OSBIE must execute a reciprocal insurance exchange agreement whereby every member commits to a five-year subscription period, the current one of which will end on December 31, 2026.

OSBIE exercises stewardship over the assets of the reciprocal, including the guarantee fund. While no individual school board enjoys any entitlement to access the assets of the reciprocal, the agreement provides for two circumstances when a school board, that is a member of a particular underwriting group, may receive a portion of the accumulated funds of the reciprocal.

1) In the event that the Board of Directors determines, in its absolute discretion, that the exchange has accumulated funds in excess of those required to meet the obligations of the Exchange, in respect of claims arising in prior years in respect of the underwriting group, the Board of Directors may reduce the actuarially determined rate for policies of insurance or may grant premium credits or policyholder dividends for that underwriting group in any subsequent underwriting year.

2) Upon termination of the exchange of reciprocal contracts of insurance within an Underwriting Group, the assets related to the Underwriting Group, after payment of all obligations, and after setting aside an adequate reserve for further liabilities, shall be returned to each Subscriber in the Underwriting Group according to its subscriber participation ratio and after termination the reserve for future liabilities will be reassessed from time to time and when all liabilities have been discharged, any remaining assets returned as the same basis upon termination.

In the event that a board or other board organization ceases to participate in the exchange of contracts of insurance within an Underwriting Group or within the Exchange, it shall continue to be liable for any Assessment(s) arising during or after such ceased participation in respect of claims arising prior to the effective date of its termination of membership in the Underwriting Group or in the exchange, unless satisfactory arrangements are made with in the Board of Directors to buy out such liability.

20. FUTURE ACCOUNTING STANDARD ADOPTION

The Board is in the process of assessing the impact of the upcoming new standards and the extent of the impact of their adoption on its financial statements.

The following are applicable for fiscal years beginning on or after April 1, 2026 (in effect for the Board for the year ending August 31, 2027). Standards must be implemented at the same time:

New Public Sector Accounting Standards (PSAS) Conceptual Framework

This new model is a comprehensive set of concepts that underlie and support financial reporting. It is the foundation that assists:

PETERBOROUGH VICTORIA NORTHUMBERLAND AND CLARINGTON CATHOLIC DISTRICT SCHOOL BOARD

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended August 31, 2025

FUTURE ACCOUNTING STANDARD ADOPTION, continued

- preparers to account for items, transactions and other events not covered by standards;
- auditors to form opinions regarding compliance with accounting standards;
- users in interpreting information in financial statements; and
- Public Sector Accounting Board (PSAB) to develop standards grounded in the public sector environment.

The main changes are:

- Additional guidance to improve understanding and clarity;
- Non-substantive changes to terminology/definitions;
- Financial statement objectives foreshadow changes in the Reporting Model;
- Relocation of recognition exclusion to the Reporting Model; and
- Consequential amendments throughout the Public Sector Accounting Handbook.

The framework is expected to be implemented prospectively

Reporting Model - PS 1202 - Financial Statement Presentation:

This reporting model provides guidance on how information should be presented in the financial statements and will replace PS 1201- Financial Statement Presentation. The model is expected to be implemented retroactively with restatement of prior year amounts.

The main changes are

- Restructured Statement of Financial Position
- Introduction of financial and non-financial liabilities
- Amended non-financial asset definition
- New components of net assets-accumulated other and issued share capital
- Increased clarity regarding presentation of budget comparatives on the Statement of Operations
- Relocated net debt to its own statement
- Renamed the net debt indicator
- Revised the net debt calculation
- Removed the Statement of Change in Net Debt
- New Statement of Net Financial Assets/Liabilities
- New Statement of Changes in Net Assets Liabilities
- Financing transactions presented separately from operating, capital and investing transactions on the Statement of Cash Flows
